## Broward Mensa's Regional Gathering

Dear Fun Loving Mensan:

It has been almost two years since our last regional gathering in Broward County, and you were a welcome guest. I hope that you had as much fun as I did.

Some of you have already registered for our next spectacular event. For those of you have not, this is an invitation to register for \$85 before the price goes up on June 1.

The event is September 4-7 of this year, and we look forward to seeing you again and creating more wonderful memories.

For more info go to <http://www.broward.us.mensa.org/rg.php>

Some of us will be at the Tampa RG and will accept registrations there.

**We Hope To See You Soon!**
